SUMMARY

As you'll see, I have 11 years of hands-on experience efficiently coding websites and web applications using modern HTML, Tailwind, CSS, JavaScript & Word-press PHP.

Building state-of-the-art, easy to use, user-friendly websites and web applications is truly a passion of mine and I am confident I would be an excellent addition to your organization. In addition to my knowledge base, I actively seek out new technologies and stay up-to-date on industry trends and advancements.

This has allowed me to stay ahead of the curve and deliver exceptional work to all of my employers, including those I've worked for on a project basis.
